

## Microphone Cable

**FALCON FC MIKE-041U** is a high-quality twisted cable designed for connecting Microphones in commercial or residential A/V systems.

- Quality Construction - Flexible Black Colour jacket with Red & Black core.

CONSTRUCTION	
Center Conductor	: 19 AWG, 23/0.193 mm Annealed Tinned Copper.
Insulation	: PVC
Core Colour	: Red & Black
Shield	: 112 x 42 (SWG) Annealed Tinned Copper
Outer Jacket	: Soft PVC
Outer Jacket Colour	: Black / As Per Customer
DIAMETERS	
Center Conductor	: 23/0.193 mm
Insulation	: $2.10 \pm 0.05$ mm
Outer Jacket Diameter	: 7.00 mm
ELECTRICAL	
DC Resistance (Max.) At 20°C	: 29.94 $\Omega$ -km
Temperature	: -15° to 70°Celsius
Insulation Resistance Const.(Min.) At 27°C	: 36.7 M $\Omega$ -km
Capacitance Core to Core	: 110pF per Mtr.
Capacitance Core to Shield	: 210pF per Mtr.
